 8 FOLLOWS [EFFECTIVE JULY 1, 1999]: Sec. 2. (a) An individual

 10 for residential care assistance under this section. The determination of
 11 eligibility for residential care assistance is the responsibility of the
 12 division. Except as provided in subsections (f) and (h), an individual is
 13 eligible for residential care assistance if the division determines that the
 14 individual:

15 (1) is a recipient of Medicaid or the federal Supplemental Security
 16 Income program;

17 (2) is incapable of residing in the individual's own home because
 18 of dementia, mental illness, or a physical disability;

19 (3) requires a degree of care less than that provided by a health
 20 care facility licensed under IC 16-28; and

21 (4) can be adequately cared for in a residential care setting.

22 (b) Individuals suffering from mental retardation may not be
 23 admitted to a home or facility that provides residential care under this
 24 section.

25 (c) A service coordinator employed by the division may:

26 (1) evaluate a person seeking admission to a home or facility
 27 under subsection (a); or

 33 recommend an alternative placement for the person.

34 (d) Except as provided in section 5 of this chapter, residential care
 35 consists of only room, board, and laundry, along with minimal

 39 certified by the Commission for Accreditation of Christian Science
 40 Nursing Organizations/Facilities, Inc., that meets certain life safety
 41 standards considered necessary by the state fire marshal. Payment for
 42 such care shall be made to the provider of the care according to

C

P

1 division directives and supervision. The amount of nonmedical
 2 assistance to be paid on behalf of a recipient living in a boarding home,
 3 residential home, or Christian Science facility shall be based on the
 4 daily rate established by the division. The rate for facilities that are
 5 referred to in this section and licensed under IC 16-28 may not exceed
 6 an upper rate limit established by a rule adopted by the division. The
 7 recipient may retain from the recipient's income a personal allowance
 8 in an amount to be established by the division, but not less than
 9 twenty-eight dollars and fifty cents (\$28.50) or more than thirty-five
 10 dollars (\$35) monthly. This amount is exempt from income eligibility
 11 consideration by the division and may be exclusively used by the
 12 recipient for the recipient's personal needs. However, if the recipient's
 13 income is less than the amount of the personal allowance, the division
 14 shall pay to the recipient the difference between the amount of the
 15 personal allowance and the recipient's income. A reserve or an
 16 accumulated balance from such a source, together with other sources,
 17 may not be allowed to exceed the state's resource allowance allowed for
 18 adults eligible for state supplemental assistance or Medicaid as
 19 established by the rules of the office of Medicaid policy and planning.

20 (e) In addition to the amount that may be retained as a personal
 21 allowance under this section, an individual shall be allowed to retain
 22 an amount equal to the individual's state and local income tax liability.
 23 The amount that may be retained during a month may not exceed
 24 one-third ($1/3$) of the individual's state and local income tax liability for
 25 the calendar quarter in which that month occurs. This amount is
 26 exempt from income eligibility consideration by the division. The
 27 amount retained shall be used by the individual to pay any state or local
 28 income taxes owed.

29 (f) The rate of payment to the provider shall be determined in
 30 accordance with a prospective prenegotiated payment rate predicated
 31 on a reasonable cost related basis, with a growth of profit factor, as
 32 determined in accordance with generally accepted accounting
 33 principles and methods, and written standards and criteria, as
 34 established by the division. The division shall establish an
 35 administrative appeal procedure to be followed if rate disagreement
 36 occurs if the provider can demonstrate to the division the necessity of
 37 costs in excess of the allowed or authorized fee for the specific
 38 boarding or residential home. The amount may not exceed the
 39 maximum established under subsection (d).

40 (g) The personal allowance for one (1) month for an individual
 41 described in subsection (a) whose employment is part of the
 42 individual's personal habilitation plan or who is working in a sheltered

C
O
P

workshop or day activity center is the amount that an individual would be entitled to retain under subsection (d) plus an amount equal to one-half (1/2) of the remainder of:

(1) gross earned income for that month; minus

(2) the sum of:

(A) sixteen dollars (\$16); plus

(B) the amount withheld from the person's paycheck for that month for payment of state income tax, federal income tax, and the tax prescribed by the federal Insurance Contribution Act (26 U.S.C. 3101 et seq.); plus

(C) transportation expenses for that month.

(h) An individual who, before September 1, 1983, has been admitted to a home or facility that provides residential care under this section is eligible for residential care in the home or facility.

(i) The director of the division may contract with the division of mental health or the division of disability, aging, and rehabilitative services to purchase services for individuals suffering from mental illness or a developmental disability by providing money to supplement the appropriation for community residential care programs established under IC 12-22-2 or community residential programs established under ~~IC 12-11-1-1~~. **IC 12-11-1.1-1.**

(j) A person with a mental illness may not be placed in a Christian Science facility listed and certified by the Commission for Accreditation of Christian Science Nursing Organizations/Facilities, Inc., unless the facility is licensed under IC 16-28.

The services must simulate, to the extent feasible, natural or homelike atmospheres with patterns and conditions of everyday life that are as close as possible to normal. The community based service categories include the following:
